BOULETTE & BURR, BANGOR, ME.

Harrison Cow Boys.
The members of the Harrison Cow Boys are requested to meet at their hall this evening at 7:30 o'clock, and a full attendance is requested, as business of importance will come up.

Thursday's number of Harper's Magazine contains an excellent sketch of Cleveland by C. C. Barstow, and also a biographical sketch of the president.

The tables of the Gazette will hold an informal reception at the reading room, this evening, for Mrs. Loring and her family.

There will be a subscription meeting at the "Century" chapel this evening to elect members to the new society. All invited to be present.

The semi-annual meeting of the Penobscot Conference of Congregational churches will be held with the First church, Bangor, Tuesday and Wednesday, October 26th and 27th.

Miss Allen, B. J., and A. B. Martin, Esq. of this city, were among the honorary members of the Supreme Council of the Order of the Eastern Star, which was organized at Bangor last week.

Baron Brothers, in Bangor, who are to appear at the Opera House this evening, arrived in the city yesterday afternoon on the Boston steamer, and sixteen of them are stopping at the Penobscot Exchange.

On October 1st the passenger train will have an extra car, a 110 ft. car from Bangor, which will be used to carry the extra baggage.

Two more of Backus's children have arrived from the Grand Banks. They are the schoolers Mary Baker and Marcella Baker, and they arrived on Friday, with their mother, Mrs. J. H. Backus.

The League of American Wheelmen will have a meet at W. H. Merrill's next Thursday, and the occasion is expected to be a very interesting one. In the forenoon there will be a parade and in the afternoon there will be a race on the track at Fairfield.

The thirty-fifth annual exhibition and fair of the Wisc. Poultry Association, which will be held at Bangor on Wednesday and Thursday, has been postponed to the 1st and 2nd of October.

The student of the J. & J. Webster, and the Woodland House, have been taken by Mr. C. L. Goodwin, of East Haden, for two years. Mr. Goodwin has managed the two establishments for some time, and will undoubtedly continue to conduct them in a very successful manner.

Mr. Joseph W. Shepard, formerly of this city and now of the firm of Bulkeley, Perkins & Shepard, of Boston, is in the city, planning their fine new ten-cent garage.

B. P. S. among the dealers. His old friends will be pleased to know that he is meeting with much success in his new firm.

The work of weighing the mails between this city and Boston will be begun to-day by Messrs. J. Ward Stafford, of Hallowell, and T. C. Chick of Augusta, who have been appointed special mail weighers by the Postmaster General. They will continue this work for thirty days, succeeding days.

The big English steamer Cranford, which arrived in this port Friday morning, steamed up to the Maine Central wharf Saturday forenoon, and will be ready to receive the mail and passengers on Sunday.

The Maine Central office excursion rates at considerably reduced prices from points on the line beginning at Vancleave, to Boston the rates to go into effect to-morrow until October 31st. These rates will undoubtedly be taken advantage of by many in this section of the State, and they afford an excellent opportunity for a visit to the Hub. The tickets will be good on any of the regular trains.

The Bates and Nationals played their second game at St. John on Friday, and the Bates were again the winners by a score of 2 to 1. The game was played at St. John, and the Bates made off with the winners. The game was played at St. John, and the Bates made off with the winners.

The High School Debating Society held its first meeting at the summer vacation on Saturday afternoon in the High School building and elected the following officers: President, Howard W. Simpson, Vice President, Herbert White, Secretary and Treasurer, Miss Hattie Jordan. A vote of thanks was extended to Messrs. E. H. Allen and J. H. Allen for their services.

A NEW LECTURE, "A WALK THROUGH THE MUSEUM," Prof. Carl Bruhn has prepared with great skill and patience this new lecture, illustrated with 300 beautiful slides. It treats the whole animal life, commencing at the lowest stages of water animals and gradually climbing up to man, showing clearly the development, life and habits of all the families of animal life. Everything that creeps, swims, flies and walks will be shown on the screen with a perfect accuracy. The lecture is a very interesting and highly instructive to all who love nature. It is indeed a grand production of a museum. Prof. Bruhn has already several engagements for this very interesting lecture.

The annual base ball and foot ball matches between the Sophomores and Freshmen at Bowdoin, which came off at the beginning of each fall term, occurred on Saturday, and, as usual, resulted in a victory for the Sophomores, who have the advantage of one year's practice, and the ability to do some effective balling. The games are about evenly balanced in numbers. The Freshmen showed their good grit by beating the Sophomores, and on their part they won the foot ball match, and some very lively playing.

It is intended to have the position of the poles for the electric railway located to-day, and Mr. F. H. Merrill is expected to have the poles located to-day, and Mr. F. H. Merrill is expected to have the poles located to-day, and Mr. F. H. Merrill is expected to have the poles located to-day.

More cases of sick headache, biliousness, constipation, can be cured in less time, with less medicine, and for less money, by using Carter's Little Liver Pills, than by any other medicine.

Suburban & Donald, Clothing, are offering \$10.00 Fall Overcoats for \$6.98 a great bargain.

More cases of sick headache, biliousness, constipation, can be cured in less time, with less medicine, and for less money, by using Carter's Little Liver Pills, than by any other medicine.

Suburban & Donald, Clothing, are offering \$10.00 Fall Overcoats for \$6.98 a great bargain.

LOCAL MATTERS.

Attention is called to the announcement of reduced rates of fare to the New Brunswick home and the Boston and Portland, good from October 1st to 31st.

Last week was a bad one for the common country fare to be held at that time, and the profits which accrued from them could not have been very large.

Dr. Fred E. Back, a young man well known in Bangor, who made his home some years, is added to the list of those ill with yellow fever at Jacksonville. A telegram received by Dr. Oliver, of Bangor, states that Mr. Back's illness is in the mild form.

Next Wednesday there will be a meeting of the Directors of the Dexter and Newport Railroad at Newport, at which the proposition for the company to subscribe to the capital stock in the proposed railroad extension, to the amount of \$5,000 or less, will be up for ratification or rejection.

The Maine Hydrogen Fuel Company has been organized in this city with the following officers: President, Benjamin Lewis, Secretary and Treasurer, W. P. Hubbard, Directors, Benjamin Lewis, W. P. Hubbard, Fred T. Thompson, of this city, and Nelson Tenney, of Portland. There has been an excellent demand for their oil apparatus, and they will soon begin supplying orders.

Two excavations will be run this week over the Maine Central Railroad to Bar Harbor. The first will be to-morrow from Lewiston and other points west of this city, and a large number will probably make up the party. The other will be on Friday from Augusta and way points, and many have signified their intention of going on the excursion. They give an excellent opportunity to see the scenery, and to see the popular resort at a low rate of fare. Several hours will be spent at Bar Harbor by the excursionists.

The ladies of Hammond street church advertise this morning an Autumn Leaf Excursion to Hallowell from Bangor on Thursday next (the next day if the weather proves unfavorable) for the low price of one dollar for the round trip. The visitors will have nearly five hours at the town of Hallowell, and the scenery of this region is now at its best in the red and gold autumn tints, our citizens will be sure to avail themselves of this excellent opportunity to make the trip.

Two more of Backus's children have arrived from the Grand Banks. They are the schoolers Mary Baker and Marcella Baker, and they arrived on Friday, with their mother, Mrs. J. H. Backus.

The League of American Wheelmen will have a meet at W. H. Merrill's next Thursday, and the occasion is expected to be a very interesting one. In the forenoon there will be a parade and in the afternoon there will be a race on the track at Fairfield.
